Fort Montgomery, New York USA

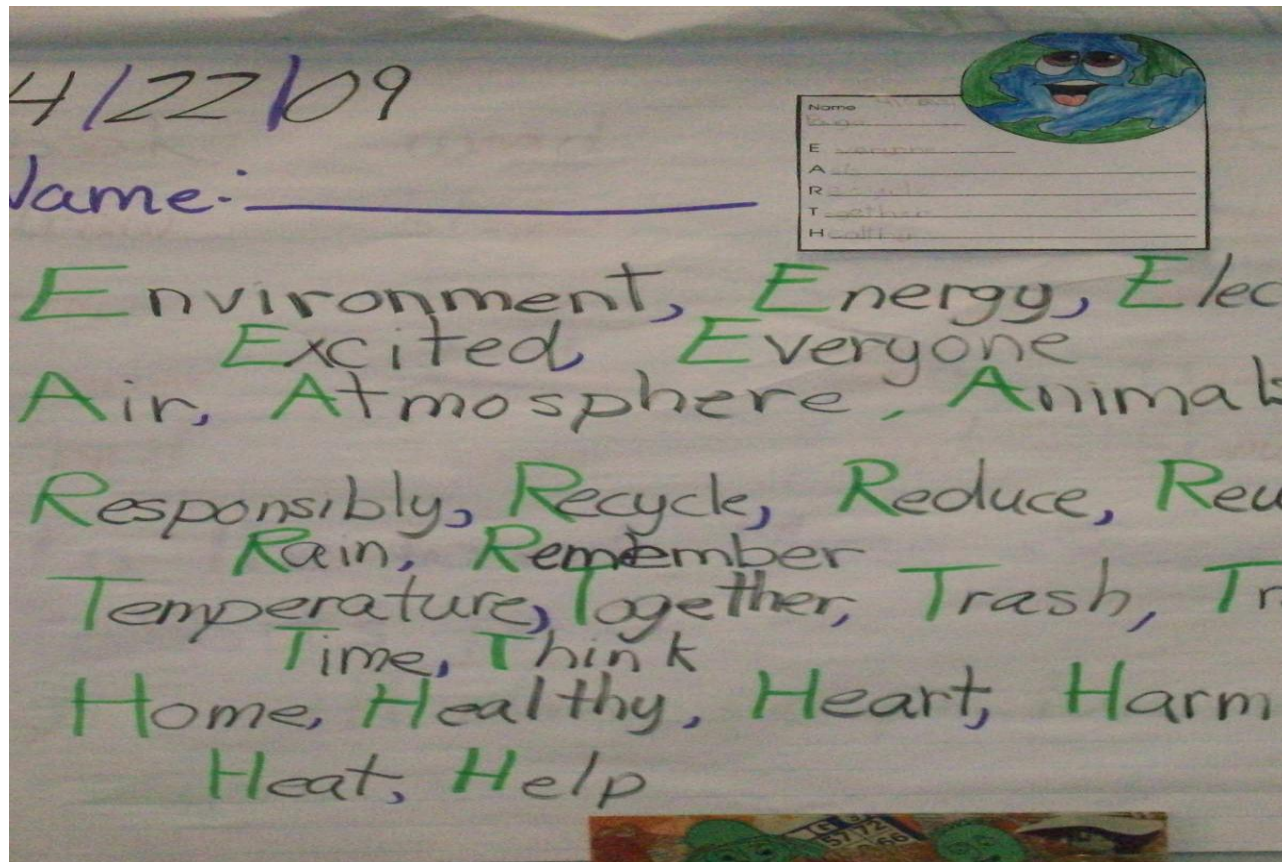

Lisa Galu - Grade 1

# Earth Day

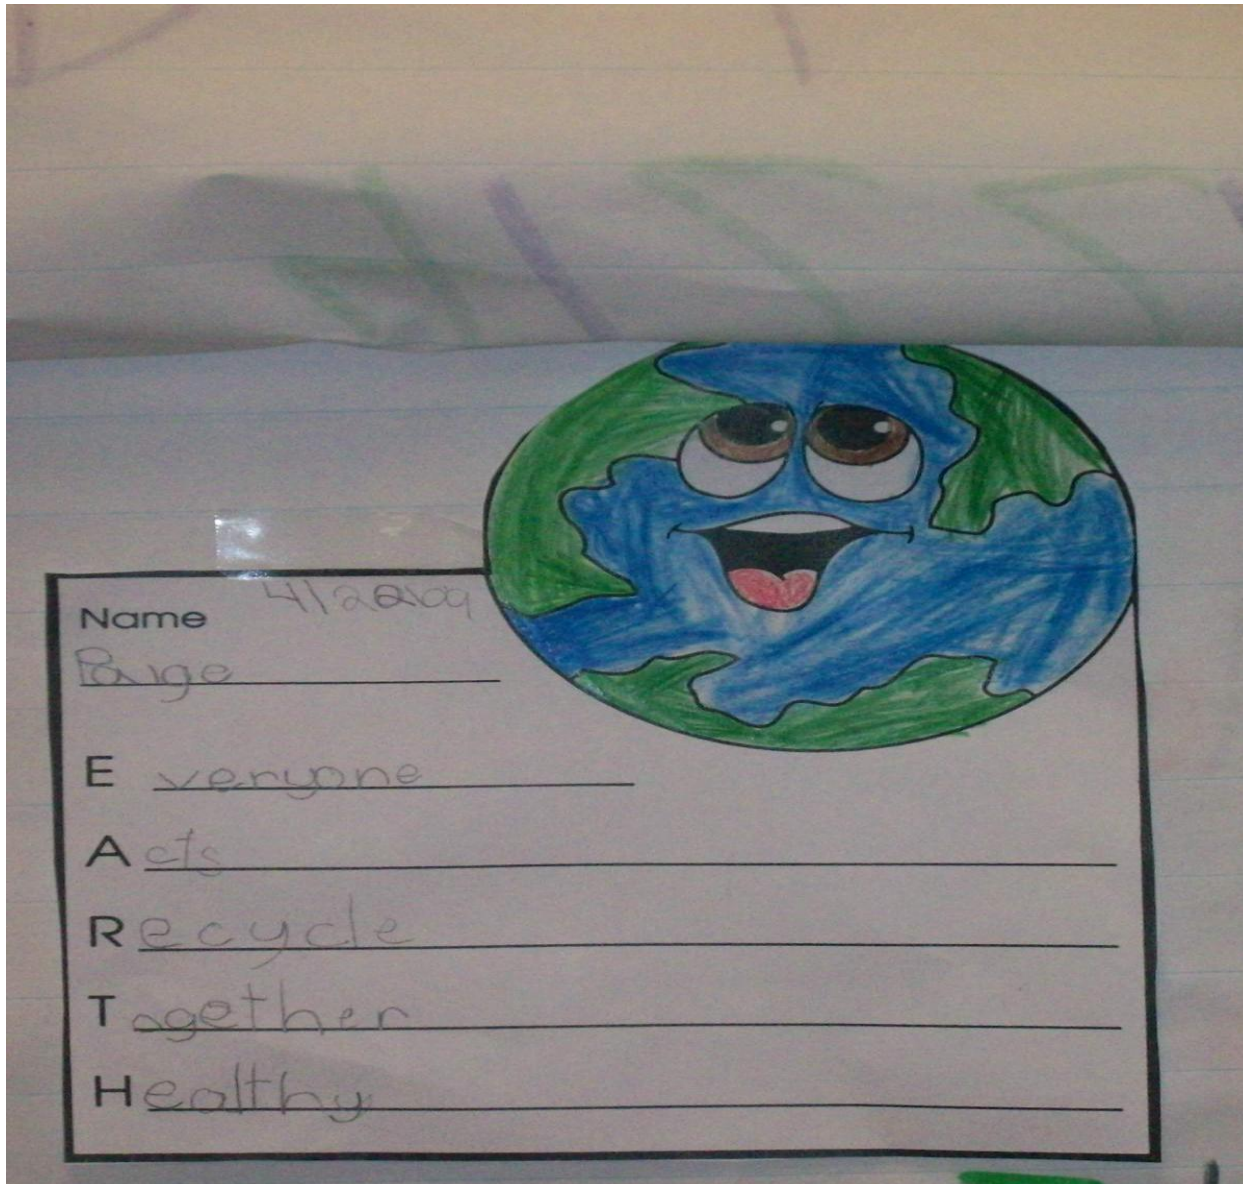

- Earth Day is celebrated April 22 every year.
- It was first celebrated in 1970.
- The students read Everyday is Earth day found at <http://www.starfall.com/n/holiday/earthday/load.htm?f>
- They also sang a few songs
  - Every Day is Earth Day
  - Also a special song they will be sharing at the video conference.

# They brainstormed EARTH words

# They made Earth ACROSTIC POETRY

The students are excited to be sharing their Earth Day fun with you at the video conference. See you soon.
