

In the Snow

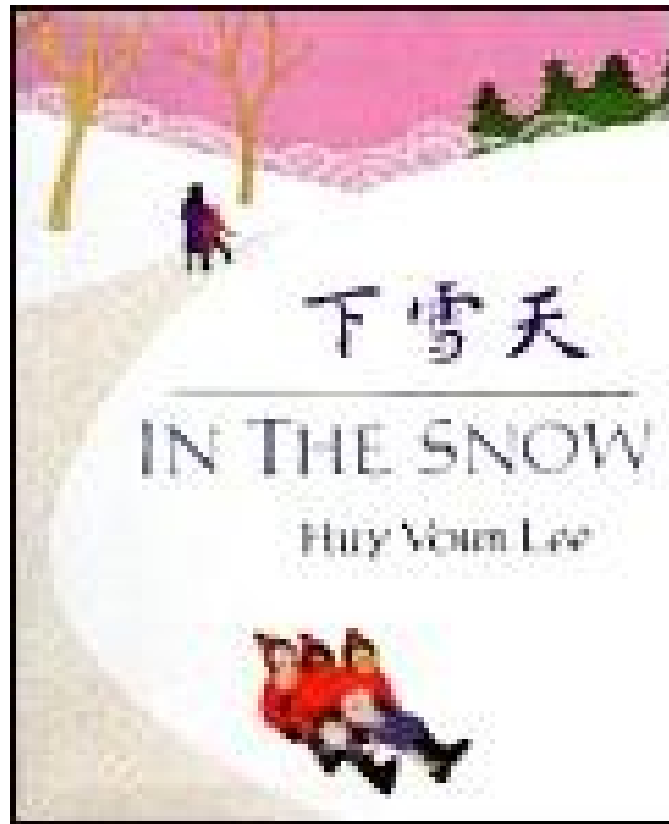

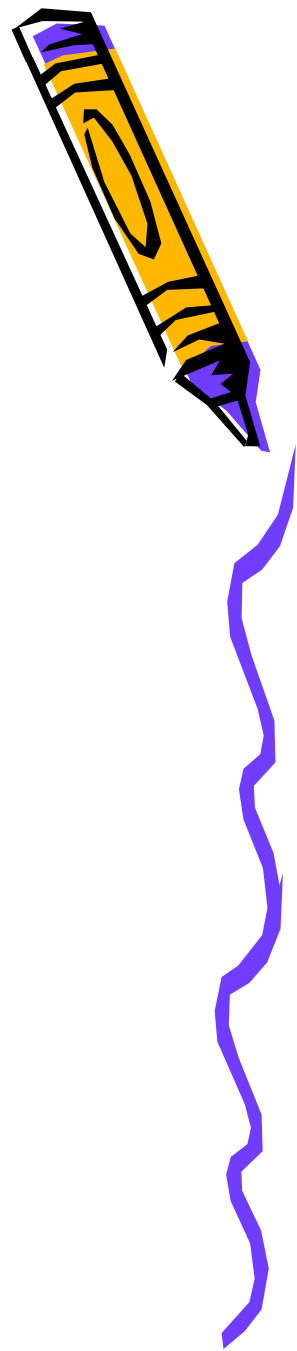

by Huy Voun Lee

Fort Montgomery Elementary School
Highland Falls, New York

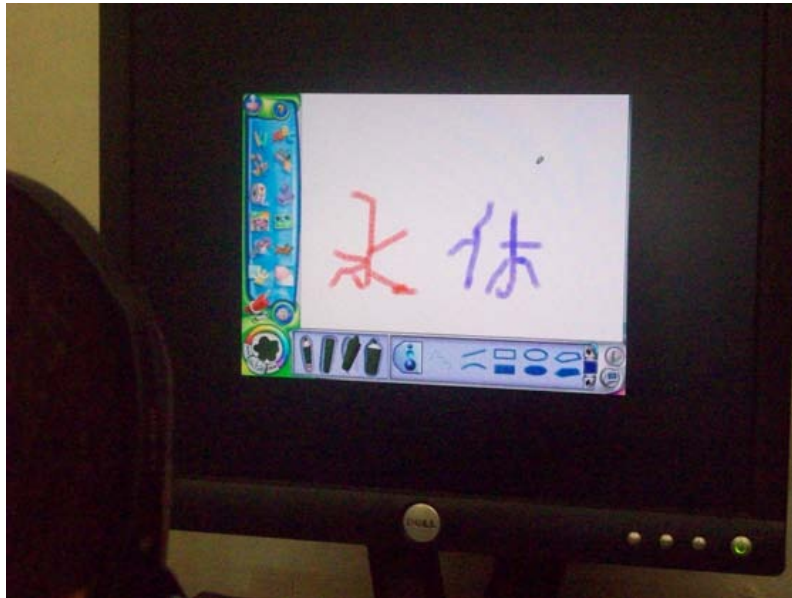

Mrs. Magyar

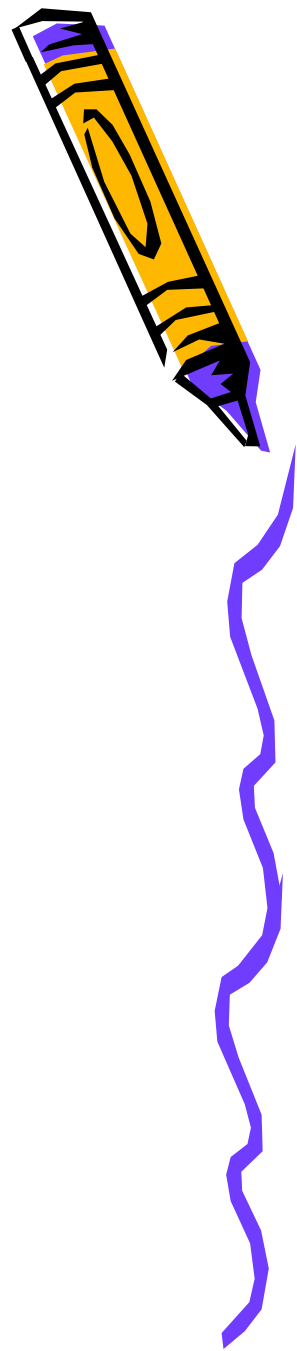

This was the story we
Read in computer class

We turned to our computers to make some characters in KidPix

We then bundled up to go
outside to create our
characters in the snow

We broke up into two lines to
work in the clean canvas of
snow.

Here are some of our characters

We used paint brushes to draw in the snow.

This was a fun project
