

Valentine's Day in Kindergarten

Ms. Bonnie Kinney's Class
Blessed Sacrament Elementary School
Newark, Ohio, USA

Lunch Count

- We start our day by deciding what we will have for lunch. Today we can choose a hot dog, a salad, a ham sandwich or a peanut butter and jelly sandwich. I'm having a hot dog.

Center time

- We are making Valentine bags to put our valentines in.

Paper Cutting

- We are cutting paper to make a heart design. We are also making a little book about Valentine's Day to take home.

Heart Beat Game

- We have fun playing the heart beat game. We have to repeat a pattern of motions and sounds. We go faster and faster. Mrs. Kinney always loses and we laugh.

Crazy Relay Race

- We have a relay race in the hall. We must hop, skip, walk backwards, run, crawl or scoot down the hall to match what our heart says. We have a lot of fun.

Valentine Snack

- We open our Valentines and have a yummy snack.
